

## End-Of-Life Notice: AirCard 775 and 750+ PC Cards for European Union Customers

---

March 10, 2006

Sierra Wireless is initiating an End-Of-Life process for the AirCard 775 and AirCard 750+ PC cards. This document serves notice to its European Union customers that Sierra Wireless is discontinuing the production and sale of the AirCard 775 and 750+.

AirCard 775 and 750+ PC cards will be available for final sale in accordance with the following dates: **Orders must be placed by May 1<sup>st</sup>, 2006 for delivery on or before June 15<sup>th</sup>, 2006**, where such delivery date shall be confirmed by Sierra Wireless.

In compliance with the European Union Directive 2002/95/EC - The Restriction of the Use of Certain Hazardous Substances (RoHS), the AirCard 775 and AirCard 750+ PC Cards are only available for sale to the European Union before July 1, 2006 (these products are not RoHS compliant). We recommend you consult with your local RoHS expert to ensure full compliance with the directive specific to your country.

Sierra Wireless will continue to provide existing AirCard 775 and 750+ customers with support and technical assistance on a reasonable commercial basis up until December 31<sup>st</sup>, 2008.

We encourage our valued customers to ask about our currently available HSDPA PC Card also supporting UMTS, EDGE, and GPRS/GSM – our AirCard 850/860 - which are RoHS compliant.

We would like to thank all our existing AirCard 775 and 750+ customers for their support. If you have any questions, concerns, or are interested in learning how our other products can fill your needs, please contact your Account Manager, our Sales Desk, Customer Support Team or visit our web site at [www.sierrawireless.com](http://www.sierrawireless.com).

Sincerely,  
*SIERRA WIRELESS*
