

End-Of-Life Notice – AirCard 860

May 31, 2007

Sierra Wireless is initiating an End-Of-Life process for the AirCard 860.

The AirCard 860 PC card will be available for final sale in accordance with the following dates: **Orders must be placed by July 31st, 2007 for delivery on or before October 31st, 2007.**

Sierra Wireless will continue to provide existing AirCard 860 customers with support and technical assistance on a reasonable commercial basis for a minimum term of 2 years after final sale (ending October 31st, 2009).

We encourage our valued customers to ask about our currently available HSDPA PC Card also supporting UMTS, EDGE, and GPRS/GSM – our AirCard 875, or to inquire about our next generation HSUPA products coming around mid-2007. Please note that the AirCard 860's sister product – the Europe/Asia Pacific AirCard 850 (supporting 2100 MHz UMTS/HSDPA + Quad-band GSM/EDGE) *will continue to be available*, and is not affected by this notice.

We would like to thank all our existing AirCard 860 customers for their support. If you have any questions, concerns, or are interested in learning how our other products can fill your needs, please contact your Account Manager, our Sales Desk, Customer Support Team or visit our web site at www.sierrawireless.com.

Sincerely,
SIERRA WIRELESS
