

End-Of-Life Notice – AirLink Junxion Box JB-120g/JB-120e

March 2010

End-Of-Life Notice Sierra Wireless AirLink Junxion Box

In our continuing efforts to provide best in class products, Sierra Wireless is announcing the end-of-life of the AirLink™ Junxion Box routers. The specific SKUs affected by this notice and their respective replacements are:

EOL Product	SKU	Replacement Product
AirLink Junxion Box	JB-120g	AirLink Helix RT
AirLink Junxion Box	JB-120e	AirLink Helix RT

Limited inventory remains with some Sierra Wireless distributors for those customers who wish to purchase additional product to support their future needs. Sierra Wireless will provide Junxion Box customers with technical support on a reasonable commercial basis through December 31, 2010.

For more information on Sierra Wireless AirLink Helix RT router and other products, please click [here](#).
