

End-Of-Life Notice – All Regions Outside the US AirCard® 875, AirCard® 875U

March 4, 2008

Sierra Wireless is initiating an End-Of-Life process for the AirCard® 875 PC card and AirCard® 875U USB modem.

The AirCard 875 and AirCard 875U will be available for final sale in accordance with the following dates: **Orders must be placed by June 4th, 2008 for delivery on or before September 4th, 2008.**

Sierra Wireless will continue to provide existing AirCard 875 and AirCard 875U customers with support and technical assistance on a reasonable commercial basis for a minimum term of 2 years after final sale (ending September 4th, 2010).

We encourage our valued customers to ask about our currently available HSUPA PC Card and USB modem also supporting UMTS, EDGE, and GPRS/GSM – our AirCard 880 and AirCard 880U, or to inquire about our next generation HSUPA products coming around mid-2008.

We would like to thank all our existing AirCard 875 and AirCard 875U customers for their support. If you have any questions, concerns, or are interested in learning how our other products can fill your needs, please contact your Account Manager, our Sales Desk, Customer Support Team or visit our web site at www.sierrawireless.com.

Sincerely,
SIERRA WIRELESS
Product Management Team
