Industry's Best Out-of-Box Coverage

AirLink MG90 comes with best-in-class coverage, and AirLink Support enables your organization to extend this coverage over the life of your devices.

Sierra Wireless stands behind its products with the best out-of-the-box warranty available. Every purchase of AirLink MG90 includes:

- ✓ Three (3) year hardware warranty
- ✓ Free firmware updates for the life of the device, available on release
- ✓ Free access to the Source at source.sierrawireless.com for all technical documentation and software downloads
- ✓ Tier 1 technical support from Authorized Sierra Wireless Resellers
- ✓ Accelerated Replacement Program (ARP) for hardware purchased through participating Resellers

¹ With participating Network Operators

² May be provided by a Participating AirLink Reseller

³ Extended Hardware Support is only available on products that have not reached a formal End of Life

⁴ Shipping not paid if No Fault Found (NFF) with hardware

⁵ The first 3 years of coverage is provided under the standard warranty. Five (5) years of coverage is the maximum warranty provided for any Sierra Wireless product but must be bought at time of original purchase.
