Upon demand, Customer shall pay all such interest charges and all reasonable collection fees, including reasonable legal expenses. Despite the forgoing, where the laws of the Customer's jurisdiction of incorporation provide an alternative method for calculating interest on late payments, such method shall prevail.

8. LIMITED WARRANTY. Sierra Wireless warrants to the Customer that, from the date of invoicing of the Products through the Warranty Period (as defined below): (a) the Products will substantially comply with, and perform per, the datasheet specifications available at www.sierrawireless.com; (b) the hardware, and the media on which any Software is provided, shall contain only new materials and shall be free from material defects in design, materials and workmanship under normal use; and (c) title to the Products shall be free of liens, security interests and other claims. The warranty does not cover or include: (i) the cost of installation, removal, reinstallation, or rework of other equipment; (ii) damage due to accidents, failure of Customer to follow instructions, misuse, abuse, neglect, fire, flood, war, or acts of God; (iii) technical assistance to install, configure, or operate the Product; and (iv) third party products not manufactured by Sierra Wireless, which are provided "as is", without warranty of any kind, unless otherwise expressly specified by Sierra Wireless. **Return Procedure.** To return a defective Product, Customer must contact Sierra Wireless via one of the methods set forth at www.sierrawireless.com/support under the section entitled "Repair and Warranty" to request a Return Material Authorization ("**RMA**"), and follow the instructions set out in the RMA. If Sierra Wireless finds that the returned Product meets the warranty conditions set out in this section, it shall, at its expense and option: (1) repair the defective Product, apply the current Product firmware release, or replace the defective Product with a new or rebuilt unit (which may use refurbished parts of similar quality and functionality) or a substitute unit of equal or superior functionality; (2) ship the repaired or replaced Product back to Customer; and (3) warrant the repaired or replaced Product for a period of ninety (90) days or the remainder of the original Warranty Period, whichever is longer; or if Sierra Wireless is not able to repair or replace the defective Product, it will credit the Customer's account in the amount of the net purchase price paid by Customer for such defective Product. **No Fault Found.** If Sierra Wireless is, despite reasonable commercial efforts, unable to find a fault with a Product returned by Customer under the warranty: (a) the returned unit shall be deemed to be No Fault Found ("**NFF**"), and Sierra Wireless shall ship the NFF unit back to Customer at Customer's expense, and (b) Customer may be required to pay the NFF fee specified on the Quotation for each NFF unit if the specified NFF Threshold is exceeded. **Safety Critical Systems.** Customer acknowledges that the Products are not designed, authorised or warranted to be suitable for use, and warrants that it will not use them, in life or safety critical systems, hazardous environments, or any other environments requiring fail-safe performance, including without limitation in the operation of nuclear facilities, aircraft navigation, air traffic control systems, life-saving or life-sustaining systems; or in any other application, where a failure or malfunction of the Product may result in personal injury, death or severe damage to property or the
