“Safe harbor” statement: *This press release contains forward-looking statements that relate to the Company's plans objectives, estimates and goals. Words such as "expects," "anticipates," "intends," "plans," "believes" and "estimates," and variations of such words and similar expressions identify such forward-looking statements. The Company's business is subject to numerous risks and uncertainties, including probable variability in the Company's quarterly operating results, manufacturing capacity constraints, dependence on a limited number of customers, variability in production yields, dependence on third parties, currency rate changes and risks associated with managing growth. These and other risks and uncertainties, which are described in more detail in the Company's most recent filings with the Securities and Exchange Commission, could cause the Company's actual results and developments to be materially different from those expressed or implied by any of these forward-looking statements.*
