1. Countries not on this list are either not covered or assumed to be billed in Region D.

2. Octave does not claim service coverage for permanent deployments due to roaming restrictions posed by those countries. However, Octave devices do have the capability to operate on a temporary basis in Brazil, China, Singapore, Turkey and United Arab Emirates.

3. Specific FX30 SKU is required including a SIM enabling to operate in permanent roaming in United States, Canada and Australia. A specific price will apply in Australia.
